AHEPA PAW PATROL

September 2022

For many of us the month of September signifies the end of summer, the beginning of autumn. There are an abundance of beginnings and ends. Unlike the beginning and end of the seasons AHEPA Service Dogs for Warriors had a beginning but has no end. Our work is not nearly done. Veterans are still dealing with PTSD and suicide. The AHEPA Family, friends, family, and supporters share a common and shared mission to have all veterans with PTSD be provided a service dog to assist them on a road to recovery. There are so many veterans that still need our help. Let's continue this journey together and continue the great work that has been accomplished in the past six years.

As this journey continues, we have wonderful news to share.

At the AHEPA Family convention during the week of July 18, 2022, the AHEPA Service Dogs for Warriors were blessed with many memories and stories of loved ones. A visit with Veteran Manny Koutalides, his service dog, and family. During our presentation we were blessed with several new sponsors and pledges.
