Happy New Year to All!

The year 2022 has enabled AHEPA Service Dogs for Warriors (ASDW) many new donors and sponsors. ASDW has reached one million dollars in funds and have assisted over 100 veterans in need with service dogs. ASDW has kept expenses less than 1/2 of 1 percent of our income. We value every dollar that has so generously be donated to this wonderful program.

We need to continue this journey in 2023, sadly there are still too many veterans that need our help. Because of your support in five and a half years ASDW has been afforded us to reach out to those in need and those who can help.

Amongst our donors a couple of years ago ASDW partnered with two mom's who lost their sons to PTSD. These two moms call themselves "*Angel Warriors*", and Angel Warriors they are! Through their own efforts they have raised and donated over \$135,000.00.

Angel Warriors last donation enabled ASDW to go over the million-dollar mark with their last donation of \$4000.00.

We need to make 2023 another great year as our work is not done! Great strides and efforts have been made by all who have been so supportive. We must continue to help the veterans who have been so gallant in protecting our great country.

A VISITATION TO AMERICA VETDOGS On December 19, 2022, AHEPA Service Dogs for Warriors Chairman George Karatzia, PDG and Secretary Karen Marousis, PDG made a visitation to America VetDogs, in Smithtown, NY. It was there we met with staff members and our first AHEPA paired service dog and veteran, Peter and Filo1 AHEPA who was sponsored Dr. Evans Farris. What a wonderful meeting and greeting by all. After our meeting we were able to have a photo op by meeting 12 service dogs who were in training followed by a private tour of the training facilities and give treats to the service dogs.
