

March 2022

Ms. Karen Marousis

Dear Ms. Marousis:

It's time for a celebration as Filo 2 AHEPA's first birthday is just around the corner!

Formal training for Filo 2 AHEPA is fast approaching. We anticipate that your puppy will be returning to campus to begin formal training between the ages of 14 and 18 months. At this age, Filo 2 AHEPA will have the maturity to excel at the advanced training our team of instructors has to offer. Since every dog is different, it is possible that we may invite Filo 2 AHEPA to return to campus a bit earlier or later than average.

Although we cannot guarantee that Filo 2 AHEPA will become an assistance dog, it is our hope that your sponsored pup will be considered to begin formal training and will hopefully graduate from our program in the future.

Once Filo 2 AHEPA arrives to our campus and has settled in, we will let you know.

Sincerely,

Jennifer Gisler
Chief Growth Officer
