Naming Frazier and Stratas as part of our canine family. You are an important part of our family helping veterans live a more productive life. Your continued support of AHEPA Service Dogs for Warriors will have long term profound positive effects on the newest generation of returning Warriors.

Our program offers a life changing gift for warriors and their families, and we not only believe, but we also know canines are the best prescription on four legs!

Together, we will continue to provide service dogs to veterans suffering from Post-Traumatic Stress Disorder and give both Warriors and canines a new "leash on life".
