

DAUGHTERS OF PENENLOPE ALTES NO. 163

THE THOUGHT PROCESS BEHIND NAMING THE DOG WE DONATED TO THE AHEPA SERVICE DOGS FOR WARRIORS INC.

LILLI ANN

We wanted to stick with a peace theme. The peace lily plant symbolizes peace, purity, innocence and harmony. The name for the flower came about, so it is said, by European explorers seeing the white flowers growing wild on the banks of the stream. They were reminded of the traditional white flag used to signal no combat or surrender.

We were reminded of our beloved Sister Lillian Demitry who was a founding member of our Altes 163 Chapter on October 6, 1947. Over the years she served the daughters of Penelope as chapter President, District Governor and Grand President.

We found it fitting that we honor her. We divided the name and came up with Lilli Ann to honor Lillian who had been a member for 69 years.

They can call the dog **Lilli**
