Dear Mr. Theros and Members

On Behalf of all of us at AHEPA Service Dogs for Warriors Inc. Thank you for your generous gift. With your support it makes it possible for AHEPA Service Dogs for Warriors to provide service dogs to veterans suffering from Post-Traumatic Stress Disorder. In addition of your support, we can continue empowering our veterans to overcome these invisible wounds of war and return to civilian life with dignity and independence. Without the generous support like yours, we could not accomplish this lifesaving work in helping them transition back to a productive life with meaning. This is a life changing gift for warriors and their families.

On behalf of all the men and women we service with your generosity we thank you. Your continued support of AHEPA Service Dogs for Warriors will have profound positive effects on the soldiers returning home. We are proud that you chose to be a part of the important life changing AHEPA Service Dogs for Warriors Program.

As we learn of the progress of your dog, we will share the updates individually as well.

Again, a very heartfelt thank you for your generosity. You are a very important part of our AHEPA Service Dogs for Warriors Program helping veterans live a more beneficial and productive life.

Sincere regards,
